The Cannon Valley Elder Collegium; its purpose and program:

Our Purpose:

To provide a content-oriented study experience for elder students with senior faculty.

Our Program:

- CVEC focuses on the need for life-long learning.
- The courses of study are selected to provide rich academic experiences in the liberal arts.
- Most of these studies will take a seminar format, with learners actively participating in research and dialogue.
- CVEC welcomes younger registrants (under 50) on a seat-available basis.
- Previous formal education is not a requirement.

Our Policies:

- Class size is generally 15.
- Most classes will meet 8 times, once/week,
- 2 hours/session.
- Financial assistance is available for registrants who can't afford the fee. See Registration Form.
- Students may withdraw from a course before the 2nd class meeting and request a refund.

Our Funding:

The difference between CVEC's \$50 student fee and our \$75 per student cost has mainly been bridged by grants. Because many volunteer their time our administrative costs have always been minimal. Grants have been reduced or eliminated. Thus contributions from CVEC Friends are welcomed. Your tax-deductible gift of any amount is greatly appreciated.

CVEC Funded By: Minnesota Humanities Commission, Hoelt Family Foundation and contributions from members.
