Our Program:

- CVEC focuses on the need for life-long learning
- The courses of study are selected to provide rich academic experiences in the liberal arts
- Most of these studies will take a seminar format with learners actively participating in research and dialogue
- CVEC welcomes younger registrants (under 50) on a seat-available basis
- Previous formal education is not a requirement

Our Policies:

- Class size is generally limited to 15
- Most classes will meet 8 times, once/week
- Classes are 2 hours/session
- Financial assistance is available for registrants who can not afford the fee (Check above)
- Students may withdraw from a course before the 2nd class meeting and request a refund

MEMBERSHIP FUNDING: The difference between CVEC's \$50 student fee and our \$75 per student cost has been bridged by member contributions and limited grants. Because many volunteer their time, our administrative costs have always been minimal. Thus, tax deductible contributions are welcome and greatly appreciated.
