**Register Early to Avoid Being Disappointed**

A registration box will be available at the Northfield Senior Center beginning February 21, 2011. All registrations must be accompanied by a check unless financial assistance has been requested. If you must mail your registration, send it early enough to arrive by February 21. All mail and box registrations received by the end of the first day (Feb 21) will be treated as arriving at the same time, and random selection will be used to fill courses if necessary.

Please register by March 11, 2011. If the class for which you register is oversubscribed, you will be notified as soon as possible so you may register for another course. After March 11, cards will be mailed to confirm course registration. If a course fills prior to March 11, cards will be mailed immediately to those class members. The Registration Book in the Senior Center provides information on class availability. Class availability and enrollment numbers will also be updated on the web page: [www.cvec.org](http://www.cvec.org).

**MEMBERSHIP FUNDING:** The difference between CVEC's tuition revenue and total cost has been bridged by member contributions and grants. Because many volunteer their time, our administrative costs have always been minimal. Tax deductible contributions are needed and greatly appreciated.

For class selection, in the first column indicate person A, B or both, and in the second column indicate your choice with X. You may register for more than one course by writing another X next to the second course, and including the tuition for each course.
