Registration Process

The formal registration period extends from the publication of this form until March 8th. Registrations after then will be accepted on a space-available basis.

Registrations may be mailed to FiftyNorth or deposited in the registration box there. Include course fee (tuition and, in some cases, fees for materials), payable to CVEC, or check the financial assistance box. Books, other materials, and travel, when specified for a class, are extra.

All registrations received by 6:00 pm on March 8th will be treated as arriving at the same time. Random selection will be used to fill any oversubscribed courses. After March 8th, class availability and enrollment numbers will be updated periodically at cvec.org and posted at FiftyNorth. Confirmation of registration will be sent by email no later than March 12th.

If your course is oversubscribed, you will be notified by March 9th via email. If you register by 6:00 pm on March 8th and are not admitted to an oversubscribed course, you may register for another course or receive a refund. When one or more courses are oversubscribed, students are normally admitted to each in the following order (using random selection when necessary):

- (1) all students who registered for a previous offering of the same course but were not then admitted by random selection;
- (2) students registering for their first CVEC course, as long as they fill less than half of the places in that course;
- (3) other registrants, except that normally no student will be admitted to more than one oversubscribed course.

If persons A & B register for the same course: in case of the course being oversubscribed and filled by random selection:

We should be considered _____separately or _____together.

If you received regrets previously for a course for which you are now registering, please circle course above.

Check if you need financial assistance _____

Check if this is your first CVEC class _____

Check if you do not want address, phone #, and email shared with your class on class lists _____

Included is a tax-deductible gift of _____

Because many volunteer their time, our administrative costs have always been minimal. The difference between CVEC's tuition revenue and total cost has been bridged by member contributions and grants. **Those who feel able are invited to include a tax-deductible contribution. Actual expenses incurred by CVEC per course registration average about \$65.**
