Registration Process

The formal registration period extends from the publication of this form until December 13, 2021. Registrations after then will be accepted on a space-available basis.

Registrations may be mailed to FiftyNorth or deposited in the registration box there. Include course fee (tuition and, in some cases, fees for materials), payable to CVEC, or check the financial assistance box. Books, other materials, and travel, when specified for a class, are extra.

All registrations received by 6:00 pm on December 13th will be treated as arriving at the same time. Random selection will be used to fill any oversubscribed courses. After December 13th, class availability and enrollment numbers will be updated periodically at cvec.org and posted at FiftyNorth. Confirmation of registration will be sent by email no later than December 17th.

If your course is oversubscribed, you will be notified by December 14th via email. If you register by 6:00 pm on December 13th and are not admitted to an oversubscribed course, you may register for another course or receive a refund. When one or more courses are oversubscribed, students are normally admitted to each in the following order (using random selection when necessary):

- (1) all students who registered for a previous offering of the same course but were not then admitted by random selection;
- (2) students registering for their first CVEC course, as long as they fill less than half of the places in that course;
- (3) other registrants, except that normally no student will be admitted to more than one oversubscribed course.

For class selection, indicate person A, B, or both.
